Youth Collaboration on the Prevention of Adolescent Dating Violence

The Administration for Children and Families, Administration on Children, Youth and Families, Family Youth Services Bureau announces the availability and request for applications for its FY 2004 Family Violence Prevention and Services discretionary grants.

Legislative Authority

The Family Violence Prevention and Services Act (the Act) was originally enacted in sections 301–313 of Title III of the “Child Abuse Amendments of 1984” (P.L. 98–457, 10/9/84). The Act was reauthorized and otherwise amended by the “Child Abuse Prevention, Adoptions, and Family Services Act of 1988” (P.L. 100–294, 4/25/88); the “Child Abuse, Domestic Violence, Adoption, and Family Services Act of 1992” (P.L. 102–295, 5/28/92); the “Safe Homes for Women Act of 1994,” Subtitle B of the “Violent Crime Control and Law Enforcement Act of 1994” (P.L. 103–322, 9/13/94); and the “Child Abuse and Prevention Treatment Act Amendments of 1996” (P.L. 104–235, 10/3/96); and the “Victims of Trafficking and Violence Protection Act of 2000” (P.L. 106–386, 10/28/00). The Act was most recently amended by the “Keeping Children and Families Safe Act of 2003” (P.L. 108-36).

II. Award Information

Funding Instrument Type: Grant

Anticipated Total Program Funding: \$450,000

Anticipated Number of Awards: 6

Ceiling on amount of individual awards: \$75,000 per project period

An application received that exceeds the upper value of the dollar range specified will be considered “non-responsive” and be returned to the applicant without further review.

Floor of Individual Award Amounts: none

Average Anticipated Award Amount: \$75,000 per project period.

Project Periods for Awards: This announcement invites applications for a 17 month project period with a 17 month budget period.

Purpose:

To develop and implement effective strategies for the identification, requirement, and use of domestic violence adolescent dating violence prevention services concurrently with the services provided through Basic Center, Transitional Living and Street Outreach projects. These efforts would focus on the youth who are identified within the Domestic Violence and the Runaway and Homeless Youth communities as individuals that may be responsive to a collaborative set of services or interventions. This announcement would offer the applicant organization, through a letter of agreement, the opportunity to design, develop, and collaborate in a service intersection area that has languished from the lack of concentrated attention. The approaches to the needs of this intersection are many and varied, for example: collaborative efforts that may accommodate informational needs; the development of training materials and curricula to be used in a learning environment; the collection of mutually useful data that may lead to more intensive service approaches; and the development of protocols for effective strategies of prevention/intervention that may lead to an improved pattern of service delivery.

Background:

Adolescent dating violence exhibits similar characteristics as adult violence in terms of its being a continuing and escalating form of abuse. As such, these behaviors range from verbal abuse to physical and sexual assaults. The cycle of abuse is also displayed in these

early relationships as the violence may escalate over time. Moreover, a high percentage of disconnected youth come from homes where domestic violence occurs while 40 to 60 percent of men in court ordered treatment for domestic violence have witnessed it as a child. It also is recognized, however, that perpetrators of adolescent dating violence can be either male or female. As teenagers lack the experience of intimate relationships the abuse they may be experiencing may be interpreted as jealousy or their partner's commitment to them. There is a need to raise the awareness of adolescent dating violence and send the message that it is not wrong or "uncool" to talk about or report the violence in a relationship. To encourage healthy relationships we need to promote programs to reduce adolescent violence through community awareness activities, education and prevention programs, and information and support opportunities.

Minimum requirements:

Applicant must submit a signed letter of agreement between the organization representing the interest of RHY programs and the organization or coalition representing the domestic violence advocacy interests and their concerns. Either signatory to the Agreement may be the principal grantee. The agreement to be submitted will specifically indicate the role each participant organization has in the planning and implementation of the proposed project.

Applicants may propose to do one or more of the following, or propose other related project activities: plan and implement cross-training activities between domestic violence service providers and advocates and youth workers, supervisors, and other social service providers on the relationship of adolescent dating violence and disconnected youth;

develop and implement model responses to domestic violence by youth workers; support the development and adoption of model collaborative protocols for domestic violence service providers and youth workers; and the compilation of service data correlating adolescent dating abuse with youth who are serviced through Basic Center, Transitional Living Programs and Street Outreach projects.

III. Eligibility Information

Local public agencies and not-for profit community based organizations; faith-based, and charitable organizations who are recipients, or have been recipients of grant awards for Basic Center, Transitional Living, Street Outreach Family and Youth Services Bureau (FYSB) funded RHY projects; and non-profit domestic violence advocacy organizations and domestic violence State Coalitions who are or have been recipients of Family Violence Prevention and Services grant awards.

IV. Additional Information on Eligibility:

Non-profit organizations applying for funding are required to submit proof of their non-profit status.

Proof of non-profit status is any one of the following:

- a) A reference to the applicant organization's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in the IRS code.

A copy of a currently valid IRS tax exemption certificate.

- b) A statement from a State taxing body, State Attorney General, or other appropriate State official certifying that the applicant organization has a non-profit status and that none of the net earnings accrue to any private shareholders or individuals.
- c) A certified copy of the organization's certificate of incorporation or similar document that clearly establishes non-profit status.
- d) Any of the items in the subparagraphs immediately above for a State or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate.

Applications exceeding the dollar ceiling will be considered non-responsive and returned to the applicant without further review. Applications that fail to include the required non-federal share will be considered non-responsive and returned to the applicant without further review.

1. Matching:

Matching funds are required for applications submitted under this program announcement.

Grantees must provide at least 25 percent of the total approved cost of the project. The total approved cost of the project is the sum of the ACF share and the non-federal share. The non-federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. **For example**, in order to meet the match requirements, a project with a total approved cost of

\$100,000, must provide a non-federal share of at least \$25,000 (25% of total approved project cost of \$100,000). Grantees will be held accountable for commitments of non-federal resources even if over the amount of the required match. Failure to provide the amount will result in disallowance of Federal funds.

Applications that fail to include the required amount of cost-sharing will be considered non-responsive and will not be eligible for funding under this announcement.

All Applicants must have Duns& Bradstreet Number. On June 27, 2003, the Office of Management and Budget published in the Federal Register a new Federal policy applicable to all Federal grant applicants. The policy requires Federal grant applicants to provide a Duns and Bradstreet Data Universal Numbering System (DUNS) number when applying for Federal grants or cooperative agreements on or after October 1, 2003. The DUNS number will be required whether an applicant is submitting a paper application or using the government-wide electronic portal (www.Grants.gov). A DUNS number will be required for every application for a new award or renewal/continuation of an award, including applications or plans under formula, entitlement and block grant programs, submitted on or after October 1, 2003.

Please ensure that your organization has a DUNS number. You may acquire a DUNS number at no cost by calling the dedicated toll-free DUNS number request line at 1-866-705-5711 or you may request a number on-line at www.dnb.com

Applications that fail to follow the required format described in section **IV. Additional Information on Eligibility** will be considered non-responsive and will not be eligible for funding under this announcement.

Applications that fail to include the required amount of cost-sharing will be considered non-responsive and will not be eligible for funding under this announcement.

Applications that exceed the \$75,000 ceiling will be considered non-responsive and will not be eligible for funding under this announcement.

4. Intergovernmental Review

State Single Point of Contact (SPOC),

This program is covered under Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs", and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities". Under the Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs

As of October 2003, of the most recent SPOC list, the following jurisdictions have elected not to participate in the Executive Order process. Applicants from these jurisdictions or for projects administered by federally-recognized Indian Tribes need take no action in regard to E.O. 12372: Alabama, Alaska, Arizona, Colorado, Connecticut, Hawaii, Idaho, Indiana, Kansas, Louisiana, Massachusetts, Minnesota, Montana, Nebraska, New Jersey, New York, Ohio, Oklahoma, Oregon, Palau, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, Washington and Wyoming.

Although the jurisdictions listed above no longer participate in the process, entities which have met the eligibility requirements of the program are still eligible to apply

for a grant even if a State, Territory, Commonwealth, etc. does not have a SPOC. All remaining jurisdictions participate in the Executive Order process and have established SPOCs. Applicants from participating jurisdictions should contact their SPOCs as soon as possible to alert them of the prospective applications and receive instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. The applicant must submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Standard Form 424, item 16a. Under 45 CFR 100.8(a) (2), *a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.*

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations. Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule.

When comments are submitted directly to ACF, they should be addressed to:
Department of Health and Human Services, Administration for Children and Families, Division of Discretionary Grants, 370 L'Enfant Promenade, S.W., Washington, D.C. 20447.

The official list, including addresses, of the jurisdictions elected to participate in E.O. 12372 can be found on the following URL:

<http://www.whitehouse.gov/omb/grants/spoc.html>

5. Funding Restrictions

ACY will not fund any project where the role of the applicant is to serve as a conduit for funds to organizations other than the applicant. The applicant must have a substantive role in the implementation of the project for which the funding is requested. This prohibition does not bar the making of sub-grants or sub-contracting for specific services or activities needed to conduct the project.

Applicants that fail to include the required match will be considered non-responsive and will not be eligible for funding under this announcement.

6. Other Submission Requirements

Electronic Address to Submit Applications: www.Grants.Gov

Electronic Submission: Please see **Section V. 2. Content and Form of Application Submission**, for guidelines and requirements when submitting applications electronically.

VI. Application Review Information:

1. Criteria:

The Paperwork Reduction Act of 1995 (P.L. 104-13)

This program announcement does not contain information requirements beyond those approved for ACF grant applications under OMB control number 0970-0139 which expires 3/31/2004. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The following are instructions on how to prepare the “project summary/abstract” and “Full Project Description” sections of the application. Note that each criterion is preceded by the generic evaluation requirement under the ACF Uniform Project Description (UPD).

APPROACH

Outline a plan of action describing how the proposed work will be accomplished.

Account for all functions and activities described in the application and cite factors which might accelerate or decelerate your work, stating reasons for the approach you have taken. Describe any unusual features of the project such as design and or technological innovations, reductions in cost or time, or extraordinary social or community involvement.

OBJECTIVES AND NEED FOR ASSISTANCE

Clearly identify the problem(s) requiring a solution. The need for assistance must be demonstrated and the principal and subordinate objectives of the project must be clearly stated. Any relevant data should be included or referred to in the endnotes or footnotes. Demographic data and participant/beneficiary information should be included as needed.

RESULTS OR BENEFITS EXPECTED

For example, describe how the increased collaboration between service agencies and their programs and the domestic violence service providers would make available an increase in effective services delivery and information to individuals who may find themselves in abusive situations.

ORGANIZATIONAL PROFILES

Provide information on the applicant organization(s) and cooperating partners, contact numbers and telephone numbers, documentation of experience in the program and other pertinent information. Any non-profit organization submitting an application must submit proof of its non-profit status in its application at the time of submission.

BUDGET AND BUDGET JUSTIFICATION

Budget line item details and detailed calculations for each budget class identified on the budget information form. Detailed calculations must include estimation methods, quantities, unit costs where applicable, and other similar quantitative detail sufficient for the calculation

to be duplicated. The detailed budget must include a breakout by the funding sources identified in Block 15 of the SF 424.

Evaluation Criteria:

Approach (30 points)

The extent to which the application outlines a sound and workable plan of action pertaining to the scope of the project, and details how the proposed work will be accomplished; relates each task to the objectives and identifies the key staff member who will be the lead person; provides a chart indicating the timetable for completing each task, the lead person, and the time committed; cites factors which might accelerate or decelerate the work, giving acceptable reasons for taking this approach as opposed to others; describes and supports any unusual features of the project, such as design or technological innovations, reductions in cost or time, or extraordinary social and community involvement; and provides for projections of the accomplishments to be achieved.

The extent to which, when applicable, the application describes the evaluation methodology that will be used to determine if the needs identified and discussed are being met and if the results and benefits identified are being achieved.

Objectives and Need for the Project (20 points)

The extent to which the need for the project and the problems it will address have national and local significance; the applicability of the project to coordination efforts by national, Tribal, State and local governmental and non-profit agencies, and its ultimate impact on

domestic violence prevention services and intervention efforts, policies and practice; the relevance of other documentation as it relates to the applicant's knowledge of the need for the project; and the identification of the specific topic or program area to be served by the project. Maps and other graphic aids may be attached. The extent to which the specific goals and objectives have national or local significance, the clarity of the goals and objectives as they relate to the identified need for and the overall purpose of the project, and their applicability to policy and practice. The provision of a detailed discussion of the objectives and of the extent to which they are realistic, specific, and achievable.

Results and Benefits (20 points)

The extent to which the application identifies the results and benefits to be derived, the extent to which they are consistent with the objectives of the application, the extent to which the application indicates the anticipated contributions to policy, practice, and theory, and the extent to which the proposed project costs are reasonable in view of the expected results. Identify, in specific terms, the results and benefits, for target groups and human service providers, to be derived from implementing the proposed project.

Organizational Profiles (15 points)

The extent to which the participating organizations and entities have discussed, through letters and other documentation, the proposed collaboration and cooperation. Assess the extent to which the financial and physical resources provided by the participating entities will be adequate and to what extent will the coordinating organizations participate in the day to day operations of the project.

Budget (15 points)

Relate the proposed budget to the level of effort required to obtain the project's objectives and provide a cost/benefit analysis. Demonstrate that the project's costs are reasonable in view of the anticipated results. Applications will be evaluated on the extent to which they include a budget that is concise and provides a detailed justification of the amount of Federal funds that are requested.

VII. Award Administration Information

1. Award Notices:

The successful applicants will be notified through the issuance of a Financial Assistance Award document which sets forth the amount of funds, granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-Federal share to be provided, and the total project period for which support is contemplated. The Financial Assistance Award will be signed by the Grants Officer and transmitted via postal mail.

Organizations whose applications will not be funded will be notified in writing.

2. Administrative and National Policy Requirements

45 CFR Parts 74 and 92

3. Reporting Requirements
